About Us

Surginara Med System pride itself to be a company giving utmost assurance towards achieving our customer's trust. For us customer satisfaction comes first before any other desired organizational goals for which companies strive hard to accomplish.

Surginara Med since formed we have witnessed rapid but consistent growth in our customer base and business volumes. We pride ourselves to be a reliable brand name having presence in three continents across the world. This has been achieved through our committed efforts to serve the requirements of our customers in best possible manner.

Through collaboration with surgeons, clinical technicians and nurses around the world, we identify surgical needs and advance them into effective and safe products.

Special or Custom Designed Instruments

Surginara Med System welcome the opportunity to manufacture instruments that are currently available, but are desired in an alternative tip/-handle selection or belong to special school of pattern. We produce custom designed instruments on your request as well. Please send us an actual sample and/or a detailed written description that includes all dimensions and measurements.

Surginara Med System Dental Group Guarantee

Any product that fails within the expected lifetime of an instrument as a result of material defect or poor workmanship will be repaired or replaced at no charge. As a service, we also offer sharpening, repair or reworking of instruments. The **Surginara Med System** customer service will be pleased to support and consult you in this regard.

We cannot be held responsible for the performance or replacement of any instrument that has been tampered with, modified or refitted in any manner.

How to Place an Order

Instruments can only be ordered through our authorized dealer. Your surgical dealer will take your order and ship the products to you. If you have questions prior to placing an order or if you would like to place an order for any of our products, please contact us at ma4377277@gmail.com

Dental Syringes

Intraligamental Syringes

Self & Manual Aspirating Syringes

SMS-09-001
Plastic protection tube

SMS-09-002
Pistol-Ject
Metric Thread
1.8 ml

- Injects 0.02 ml with every click
- Exact dosage every time
- Lever action for high injection pressure
- Suitable for use with all 1.8 ml dental cartridges
- Made of brass, Chrome plated
- Stainless steel plungers

SMS-09-003
Pistol-Ject
Metric Thread
1.8 ml

Disc System

Dual self aspiration system:

Disc system syringe has dual aspiration feature to achieve self aspiration.

Aspiration before injection:

Insert syringe in tissue and press Thumb disc to achieve aspiration.

Aspiration during injection:

Automatic aspiration occurs whenever pressure on the plunger is released.

SMS-09-004
Disc System
Metric Thread
1.8 ml

Projection System

Aspiration during injection:

Automatic aspiration occurs whenever pressure on the plunger is released.

SMS-09-005
Projection System
Metric Thread
1.8 ml

3 movable hooks securely holds the cartridge for safe aspiration, the syringe also has self aspiration feature.

SMS-09-006
Trio
Metric Thread
1.8 ml

- Made of 18-8 stainless steel
- Longer life than brass syringes
- No chipping of chrome
- Guaranteed quality
- Sterilizable by any method

- Injects 0.05 ml with every click
- Exact dosage every time
- Supplied with angled & straight tubes
- Suitable for use with all 1.8 ml dental cartridges
- Made of stainless steel

SMS-09-007
Metric Thread
1.8 ml

- Injects 0.06 ml with every click
- Exact dosage every time
- Suitable for use with all 1.8 ml dental cartridges
